REPORT MADE AT ALBANY, N. Y.	DATE WHEN MADE 6/6/50	PERIOD FOR WHICH MADE 6/2/50	REPORT MADE BY PAUL R. BIBLER
TITLE HARRY GOLD, was.			CHARACTER OF CASE ESPIONAGE - R

SYNOPSIS OF FACTS: SARA GOULD, 180 8th Street, Troy, New York, advised she knows no contacts of subject. She stated he was a quiet, hard working individual who appeared to have no friends and was interested in little other than his work. Last saw him at his mother's funeral in Philadelphia in 1947.

DATE 11/13/82 BY 3042 PWT/lmw**

DETAILS: Mrs. SARA GOULD, Apartment 334, 180th 8th Street, Troy, New York, was interviewed by Special Agents DARWIN D. SHATRAW and PAUL R. BIBLER. She advised that she and her husband NOAH GOULD have resided at that address since September, 1948, and that NOAH GOULD is an instructor in economics at Rensselaer Polytechnic Institute, Troy, New York.

Mrs. GOULD said that HARRY GOLD is her first cousin, his mother and her father, SAMUEL OMINSKY, having been siblings. Mrs. GOULD's parents reside at 4723 North Camac Street, Philadelphia, Pennsylvania.

SARA GOULD advised that she was never well acquainted with HARRY GOLD and believes that she saw him not more than ten or twelve times during her adult life, usually at a wedding or some other occasion when the families got together. She considered him to be an intelligent, hard-working individual, of the intellectual type, who was unusually quiet and had no particularly close friends. She recalled that he attended an occasional play and was interested in dramatics. She stated that about the only individual she heard him talk about was his brother JOSEPH. She advised that he showed concern

about JOSEPH at times because he thought JOSEPH was not sufficiently interested in dramatics and the more cultured things in life. She said that he also expressed what she thought was unusual concern concerning his brother's safety during the time he was in military service.

SARA GOULD advised that HARRY GOLD's family was not well off financially and that HARRY had worked his way through school. She recalled that he worked for many years for the Pennsylvania Sugar Company in Philadelphia and that in about 1945 or 1946 he went to New York to work for some firm. She said that she did not recall the name of this firm but she thought that they manufactured plastics. She said that the last time she saw HARRY GOLD was at his mother's funeral in 1947. At this time he told her that he was going to leave this firm in New York but had to stay with them until they paid him some back salary. She stated that her recollection concerning this was not too clear but that she has the impression that this firm manufactured some material for the Chinese nationalist government, and that HARRY would not receive his salary until the Chinese government paid for the material.

With regard to the subject's contacts, she said that she recalled that one individual whom she believes was connected with HARRY GOLD in a business way attended his mother's funeral in 1947. This individual presented his card as a friend to members of HARRY GOLD's family and was about the same age as HARRY. Mrs. GOULD stated, however, that she could recall nothing of his appearance except that he wore a black suit. She advised that this same individual called at her mother's home in Philadelphia about one year later to attend the ceremony when Mrs. GOLD's monument was unveiled at the cemetery. On this occasion Mrs. GOULD stated that her parents went to the cemetery in this individual's automobile, but that she did not go.

Mrs. GOULD stated that she and her husband, whom she said met the subject on only one occasion, had discussed this matter to some extent since it appeared in the newspapers but that she had been unable to recall any incident which she thought might relate to HARRY GOLD's espionage activities. She stated that she could not recall any individual who might be a contact of the subject other than the man described above who attended her aunt's funeral.

It is noted that in the report of Special Agent JOSEPH C. WALSH, JR., dated May 29, 1950, at New York, an interview with ABRAHAM BROTHMAN was set out. In this interview BROTHMAN advised Special Agents JOHN R. MURPHY, JR. and JOHN M. COLLINS that he visited GOLD in Philadelphia at the time of GOLD's mother's funeral in 1947. It appears, therefore, that ABRAHAM BROTHMAN is the individual referred to by SARA GOULD.

SUBJECT: HARRY GOLD
ESPIONAGE

DATE: June 28, 1950

ALFRED BERSIA, Bersia Real Estate Company, Fry Building, Natches, Mississippi advised on June 26, 1950 that he had recently read the article regarding GOLD in Life Magazine and had noticed GOLD's description and photograph appearing therein. He stated that he had run into an individual whom he believed identical with GOLD in Geneva, Switzerland, during the summer of 1947 and that he felt that circumstances surrounding this meeting were worth reporting.

BERSIA, while awaiting transportation from Europe to the United States, was at a jeweler's shop looking at watches in Geneva on July 15, 1947. While in the shop, name not recalled, he overheard a man speaking in English attempting to pay for a watch with an American Express Traveler's check. When the storekeeper refused to honor this check, BERSIA interceded. He determined that the man with the checks was from New York and that the check was for English pounds rather than Swiss francs.

He stated that he took the man to the American Express agent and was informed by this man that the check was only redeemable in England or the United States. He said he, BERSIA, cashed a check amounting to approximately \$20.00 and that this American then went back and purchased a watch at the same shop with the money. The watch he described as a steel cased chronometer, probably a Rolax make. Just prior to his cashing the traveler's check, BERSIA noticed that the man had a sheaf of American Express Traveler's checks approximately one inch thick, and although he did not see the denominations of the checks, it appeared to be a considerable sum of money.

BERSIA said he walked around Geneva and talked to his new-found acquaintance until departure time for his plane and that during their conversation he was informed that the man was employed in the United States as a chemist.

The plane to New York was TWA Flight 920 departing from Geneva at approximately 6:30 p.m. on July 15, 1947. He and his acquaintance were the only passengers boarding the plane at Geneva and took adjoining seats. After the plane was in the air, BERSIA's acquaintance broached the subject of the mistreatment of negroes in the South. He stated that white people in the South kept their feet on the negro's neck and kept him from progressing. BERSIA said he took issue with the man on this and they soon were in a heated argument. He said he took another seat and had nothing further to say to the stranger.

BERSIA could not recall the name used by this American but said he bore such a striking resemblance to GOLD's photograph he felt that the two men could be identical. He was of the opinion that he could identify the person he met in Switzerland if he saw him.

BERSIA is an intelligent and prominent business man of Hatcher and is deemed thoroughly reliable. He said it had occurred to him that if the man reported were GOLD, this might have been a trip taken by him to obtain a payoff for services rendered a foreign power.

Mr. Whearty of the Department telephonically advised this morning that it is anticipated that defense attorney Hamilton will make application for the transfer of the Gold case to Philadelphia sometime after July 4, inasmuch as Hamilton is presently on vacation.

Mr. Whearty further advised that with respect to the furnishing of Bureau reports to USA Gleason in Philadelphia, he had talked to Gleason and pointed out that Gleason would not want copies of these reports in his files inasmuch as they contained top secret information. Gleason agreed that he did not want the reports. Instead, the Department is going to send Gleason a statement of facts on the case taken from the Bureau reports which have been given to the Department. This statement of facts will be sufficient for Gleason to competently handle the matter in Philadelphia, according to Mr. Whearty.

HARRY GOLD, ESPIONAGE - R. GOLD WAS SHOWN TODAY THREE PAGES OF HAND WRITTEN NOTES WHICH HE IDENTIFIED AS HIS OWN AND WHICH HE STATED WAS UNDOUBTEDLY A ROUGH DRAFT OF MATERIAL WHICH HE RECEIVED FROM BROTHMAN AND WHICH WAS TURNED OVER OR SUPPOSED TO BE TURNED OVER TO SAM. THIS REPORT WAS ENTITLED, QUOTE DESIGN REPORT COVERING DRAWING H DASH ONE EIGHT NINE, UNQUOTE. GOLD SAID THAT THE QUOTE H UNQUOTE PROBABLY REFERRED TO HENDRICK AND THEREFORE HE WOULD PLACE TIME HE DREW UP THIS REPORT AS FROM TIME HE FIRST MET BROTHMAN TO ABOUT MAY NINETEEN FORTY TWO, WHEN BROTHMAN LEFT HENDRICK. GOLD WAS ALSO SHOWN A REPORT IN LONGHAND ENTITLED, QUOTE MAGNESIUM POWDER PLANT, UNQUOTE, WHICH GOLD IDENTIFIED AS BEING IN HIS HANDWRITING AND UNDOUBTEDLY A ROUGH DRAFT REPORT WHICH WAS TO BE OR ACTUALLY WAS TURNED OVER TO SAM AND WHICH CAME FROM BROTHMAN. GOLD STATED THAT HANDPRINTED EXPLANATION OF DIAGRAM ON PAGE THREE WAS NOT PRINTED BY GOLD SO THIS POSSIBLY IN BROTHMAN-S HANDPRINTING. PHOTOSTATS OF BOTH THESE REPORTS WILL BE SENT TO NEW YORK OFFICE. GOLD STATES HE IS NOT SURE OF WHAT YEAR HE MET BROTHMAN BUT THAT IT WAS ABOUT TIME OF LOU NOVA - JOE LOUIS FIGHT, INASMUCH AS AT EITHER FIRST OR ANOTHER EARLY MEETING WITH BROTHMAN,

SAM SOMEWHERE IN GARMENT DISTRICT, NYC, BUT SOUTH OF PENN STATION JUST OFF SEVENTH AVE. AND POSSIBLY IN THE TWENTIES. MET BROTHMAN IN LATTER-S CAR AND RECALLS THAT SAM TOLD HIM BROTHMAN-S LICENSE NUMBER, AND GOLD RECALLS IT HAD AN QUOTE N UNQUOTE IN IT. GOLD THINKS THAT BROTHMAN MENTIONED QUOTE ~~X~~ HELEN UNQUOTE PARENTHESIS ELIZABETH ~~X~~ BENTLEY PARENTHESIS, ON OCCASION OF FIRST MEETING AND DESCRIBED HER AS WOMAN HE HAD PREVIOUSLY GIVEN INFO TO. BROTHMAN ALSO MENTIONED AT THAT TIME AND AT SUBSEQUENT MEETINGS A MAN WHO HAD PRECEDED HELEN BY SEVERAL YEARS AND WHO WORKED FOR AMTORG TRADING CORP. GOLD SAID THAT HE RECALLED THAT THIS MAN WAS AN AMERICAN WHO SUBSEQUENTLY WAS DISPLACED AT AMTORG BY RUSSIAN NATIONAL AND THAT THE MAN WAS A PERSONAL FRIEND OF BROTHMAN. GOLD RECALLED THAT MAN HAD UNUSUAL NAME AND BELIEVES IT BEGAN WITH A QUOTE S UNQUOTE OR A QUOTE K UNQUOTE, AND PROBABLY AN ARMENIAN NAME. GOLD HAS NEVER SEEN THIS MAN. GOLD RECALLED THAT PRIOR TO MEETING BROTHMAN, SAM TOLD HIM THAT SINCE GOLD WAS A CHEMIST HE COULD TALK SAME LANGUAGE AS BROTHMAN AND WOULD GET ALONG WITH HIM MUCH BETTER THAN PERSON WHO WAS THEN CURRENTLY CONTACTING BROTHMAN. SAM TOLD GOLD THAT HE WOULD GET INFO FROM BROTHMAN. GOLD STATED THAT BROTHMAN NEVER MENTIONED THE NAME GOLOS OR REFERRED TO HIM IN ANY WAY UNTIL DAY THAT BROTHMAN AND GOLD WERE QUESTIONED BY FBI AGENTS. AT TIME WHEN BROTHMAN AND GOLD HAD

CONVERSATION ON THAT DAY BETWEEN THE TIMES THEY WERE BOTH INTERVIEWED, BROTHMAN SAID THAT THE ONLY THING HE COULD THINK OF WHEN AGENTS QUESTIONED HIM RE GOLD WAS TO IDENTIFY GOLD AS HAVING BEEN SENT TO BROTHMAN BY JOHN ~~GOLLUSH~~ PARENTHESIS ~~GOLOS~~ PARENTHESIS. GOLD IMMEDIATELY ASKED BROTHMAN WHO JOHN GOLLUSH WAS AND BROTHMAN MERELY STATED, QUOTE HE WAS THE LINK BEFORE HELEN, UNQUOTE. GOLD SAID HE KNEW BROTHMAN WAS NOT REFERRING TO SAM. BROTHMAN DESCRIBED THE PICTURES OF GOLOS WHICH AGENTS HAD SHOWN BROTHMAN AND GAVE GOLD A VERY BRIEF DESCRIPTION, AND THROUGH THIS GOLD WAS SUBSEQUENTLY ABLE TO IDENTIFY THE PICTURE OF GOLOS WHEN IT WAS SHOWN TO HIM BY AGENTS. GOLD SAID THAT WHEN HE TOLD BROTHMAN HE DID NOT KNOW GOLOS, BROTHMAN SAID THAT QUOTE "IT IS TOO LATE NOW, YOU-VE SIMPLY GOT TO STICK BY THIS STORY," UNQUOTE. EITHER THAT NIGHT OR FOLLOWING NIGHT BROTHMAN AND GOLD WERE DRIVEN TO PENN STATION BY MIRIAM MOSKOWITZ FOR PURPOSE OF PUTTING GOLD ON TRAIN TO GO TO PHILA. AT THAT TIME BROTHMAN WAS BITTER AND ASKED GOLD IF HE HAD EVER USED NAME OF HARRY ~~SILVERMASTER~~, ADDING THAT AGENTS HAD ASKED BROTHMAN IF HE HAD EVER BEEN CONTACTED BY A MAN NAMED HARRY SILVERMASTER. WHEN GOLD TOLD BROTHMAN THAT HE HAD NEVER USED THIS NAME, BROTHMAN IMMEDIATELY SAID THAT IT WAS PROBABLY THOMAS ~~BLACK~~ AND GAVE GOLD THE IMPRESSION THAT BROTHMAN THOUGHT THAT BLACK WAS THE MASTER MIND BEHIND THE WHOLE SOVIET ESPIONAGE BUSINESS. GOLD EXPLAINED THAT BLACK HAD VISITED THE BROTHMAN LABORATORY ON SEVERAL OCCASIONS TO ASSIST GOLD IN HIS WORK AND THAT BROTHMAN GOT THE IMPRESSION THAT BLACK WAS MIXED UP WITH THE SOVIETS FROM EITHER BLACK-S CLOSE FRIENDSHIP WITH GOLD OR ELSE GOLD MIGHT HAVE MADE SOME CHANCE REMARK ABOUT BLACK WHICH INDICATED BLACK ALSO IN TOUCH WITH SOVIETS. IMPRESSION. GOLD AND BROTHMAN HAD ARGUMENT OVER BROTHMAN-S BITTERNESS TOWARD BLACK. ON EVENING OF DAY THAT BROTHMAN AND GOLD QUESTIONED BY AGENTS, BROTHMAN AND GOLD HAD DINNER AT RESTAURANT QUOTE SUNNYS OF CHINATOWN, UNQUOTE, REGO PARK, QUEENS. GOLD TOLD BROTHMAN OF HIS CONVERSATION WITH AGENTS EARLIER, INCLUDING THE CARTER HOODLESS PHONY STORY OF HOW GOLD MET GOLOS. AT THIS TIME BROTHMAN WANTED TO KNOW IF GOLD FELT BAD ABOUT BROTHMAN-S BRINGING HIM INTO PICTURE. GOLD DEFINITELY RECALLS THAT BROTHMAN REPEATED THIS STATEMENT ABOUT WHETHER GOLD FELT BAD TOWARD BROTHMAN ON THE VERY MORNING THAT HE TESTIFIED BEFORE GRAND JURY. ON MORNING OF DAY GOLD TESTIFIED BEFORE GRAND JURY, BROTHMAN AND GOLD WALKED IN VICINITY OF BROTHMAN-S HOME FROM ABOUT THREE THIRTY A.M. TO FIVE THIRTY, DISCUSSING GOLD-S STORY ABOUT HOW HE MET GOLOS. GOLD CANNOT RECALL ANY STATEMENT BROTHMAN MADE AT THIS TIME SUGGESTING THAT GOLD TESTIFY RE GOLOS BUT SAID THAT PURPOSE OF THE TALK WAS TO GET THEIR STORIES STRAIGHT ABOUT THE MANNER BROTHMAN MET GOLD. THEY DISCOVERED ONE DISCREPANCY IN THEIR STORIES, THAT BEING THE YEAR IN WHICH GOLD AND BROTHMAN MET, NINETEEN FORTY AND FORTYONE, BUT BROTHMAN SAID THAT DISCREPANCY WAS NOT SERIOUS. THEY AGREED NOT TO BRING UP NAME OF FRANK KESSLER, THE ALIAS OF GOLD, UNLESS GOLD WAS ASKED, AT WHICH TIME HE WOULD EXPLAIN SUCH BY TELLING OF HIS FEAR OF DR. ~~X~~ REICH OF PENNA. SUGAR. IN MEANTIME GOLD WILL REFRESH RECOLLECTION OF THIS INCIDENT IN AN ATTEMPT TO RECALL EXACTLY WHAT CONVERSATION HE AND BROTHMAN HAD RELATIVE TO GOLD-S PROPOSED TESTIMONY BEFORE

GAND JURY. GOLD ADVISED THAT IN NINETEEN FORTYSIX SHORTLY AFTER HE WENT TO WORK FOR BROTHMAN, GOLD AND BROTHMAN HAD SOME LEGITIMATE DEALINGS WITH AMTORG. THIS WAS THE POSSIBILITY OF CONSTRUCTING A SYNTHETIC VITAMIN PLANT IN RUSSIA. BROTHMAN AND GOLD GAVE AMTORG A SCHEME OF SYNETHESIS WHICH WOULD NOT CONFLICT WITH ANY EXISTING PATENTS AND GAVE AMTORG ESTIMATES ON PLANT. GOLD SAID MANY REPORTS WERE SUBMITTED TO AMTORG BUT NOTHING EVER CAME OF IT. GOLD RECALLS NAME OF AMTORG MAN HE AND BROTHMAN CONTACTED AS ~~X~~ TVERIANOVICH. RE N.Y. TEL JUNE TEN, TWELVE FORTYSEVEN PM, CONTAINING CERTAIN QUESTIONS TO BE ASKED GOLD. GOLD SAID UNDOUBTEDLY SOME CODE WORDS OR OTHER MEANS OF IDENTIFICATION WERE USED ON OCCASION OF FIRST MEETING BUT AT THE MOMENT CANNOT RECALL EXACT DETAILS. GOLD STATED HE DOES NOT KNOW EXACT DETAILS OF HOW BROTHMAN MET JACOB ~~X~~ GOLOS. GOLD SAID HE DOES NOT KNOW WHEN BROTHMAN LAST SAW GOLOS. HOURS, SLACK GAVE GOLD PART OF INFO ON NYLON PROCESSES SO THAT EACH COULD DO SOME WORK ON IT PRIOR TO NEXT TIME THEY MET IN ROCHESTER. GOLD STATED HE COULD NOT RULE OUT POSSIBILITY THAT THIS MEETING ACTUALLY DID OCCUR ON DEC. SEVEN, FORTY ONE IN VIEW OF FACT THAT NEWS RE PEARL HARBOR CAME OUT ABOUT THREE P M THAT DAY, WHICH WOULD CAUSE HIM TO BE VERY HAZY ABOUT EVENTS HAPPENING EARLY THAT DATE. GOLD RECALLS DEFINITELY ONLY ONE SUCH TIME THAT HE MET SLACK IN PHILA. GOLD WAS RE-QUESTIONED IN DETAIL CONCERNING HIS ATTEMPTS TO LOCATE SLACK IN KINGSPORT TENNESSEE AT TIME HE ASCERTAINED SLACK TRANSFERRED TO KNOXVILLE. GOLD STATED HE DEFINITELY MADE INQUIRY AT SLACK-S HOME IN KINGSPORT AND ASCERTAINED EITHER THERE OR IN HOUSE IMMEDIATELY TO REAR OF SLACK-HOUSE THAT SLACK HAD BEEN TRANSFERRED TO KNOXVILLE. WHEN GOLD WAS CONFRONTED WITH FACT THAT SLACK HAD BEEN TRANSFERRED FROM HOLSTON ORDNANCE WORKS TO NASHVILLE IN NOV. FORTY FOUR, GOLD STATED HE COULD VERY EASILY BE MISTAKEN ABOUT HIS STATEMENT THAT HE LAST SAW SLACK IN FORTY THREE. IT WAS POINTED OUT TO GOLD THAT THIS WOULD BRING HIS ASSOCIATION WITH SLACK AT THE SAME TIME HE WAS CONTACTING FUCHS. GOLD SAID THIS WAS VERY POSSIBLE AND FURTHER, THAT HE PROBABLY HAD BEEN ADVISED BY SAM AND JOHN ON SEPARATE OCCASIONS THAT HE SHOULD DISCONTINUE HIS CONTACTS WITH BROTHMAN AND SLACK RESPECTIVELY. IN CONNECTION WITH BROTHMAN GOLD STATED IT WAS PROBABLY BECAUSE HE WAS SCHEDULED TO CONTACT FUCHS AND THE SOVIETS DID NOT WANT HIM CONTACTING A PERSON OF BROTHMAN-S TYPE AT SAME TIME. HE SAID THAT ALTHOUGH HE DOES NOT RECALL, END PAGE TWO

STREET ON WHICH SLACK RESIDED IN CINCINNATI. IN SUMMARY GOLD STATES HE THINKS HE WENT TO KINGSFORT TWO TIMES IN FORTYTHREE, TWO OR THREE TIMES IN FORTYFOUR AND THAT IT WAS IN SPRING OF FORTYFOUR THAT HE OBTAINED FROM SLACK THE INFO AND SAMPLES OF THE POWERFUL EXPLOSIVE WHICH GOLD LATER THOUGHT TO BE RDX. GOLD THEN SAID POSSIBLY HE GAVE INFO ~~ON~~ ON EXPLOSIVE AS WELL AS SAMPLES TO JOHN RATHER THAN SAM. GOLD STATED HE IS ALMOST POSITIVE THAT THE ABOVE MENTIONED INFO AND SAMPLES CONSTITUTE THE ONLY THING GOLD EVER OBTAINED FROM SLACK AFTER SLACK HAD BEEN TRANSFERRED FROM ROCHESTER. GOLD THINKS POSSIBLY JOHN INSTRUCTED HIM TO FORGET ABOUT SLACK AND SEEMS TO RECALL THAT ON SEVERAL OCCASIONS SUBSEQUENT TO ~~THE~~ LATTER PART OF FORTYFOUR HE MENTIONED SLACK-S NAME TO JOHN AT WHICH TIME JOHN TOLD HIM TO FORGET ABOUT SLACK. GOLD STATED HE RECALLED THAT SLACK TOLD HIM IN CINCINNATI THAT HE HAD BEEN GIVEN SOME TYPE OF TRAINING BY TENNESSEE EASTMAN IN ~~THE~~ CHATANOOGA JUST BEFORE HE WENT TO CINCINNATI AND THAT IN CINCINNATI SLACK WAS AN EXPEDITER. GOLD COULD NOT RECALL THE EXACT NATURE OF SLACK-S POSITION AT HOLSTON ORDNANCE WORKS BUT ~~KNOWS~~ KNOWS THAT IT WAS CONNECTED WITH CHEMICAL ENGINEERING AND SEEMED TO THINK THAT HE WAS SOME TYPE OF PLANT MANAGER OR SUPERVISOR. GOLD STATED THE TRADE NAME RDX MENTIONED IN KNOXVILLE LETTER SOUNDED VERY FAMILIAR TO HIM IN CONNECTION WITH SAMPLES OF MATERIAL HE GOT FROM SLACK. IT I POINTED OUT THAT KNOXVILLE ASCERTAINED THAT RDX WAS ONLY TRANSPORTED QUOTE YET UNQUOTE AND FURTHER THAT IT HAD TO BE MIXED WITH TNT TO MAKE THE ULTIMATE EXPLOSIVE. IT WILL BE RECALLED THAT GOLD

MENTIONED THAT THE SAMPLES HE HAD HAD BEEN PACKED WET ACCORDING TO SLACK AND FURTHER THAT MATERIAL HE HAD WAS ONE STEP, EITHER CHEMICAL OR PHYSICAL, FROM A STATE WHERE IT WOULD BE AN EXPLOSIVE. GOLD WAS EXHIBITED A PICTURE OF RICHARD M. BRIGGS BUT GOLD STATED HE HAD NEVER SEEN HIM BEFORE.

HARRY GOLD, WAS.

ESPIONAGE - 1

DECLASSIFIED BY 3042 PWT/lmw

111354

~~CONFIDENTIAL~~

For your information, Harry Gold has now furnished additional information concerning his activities with Emil Julius Klaus Fuchs.

Gold has now recalled that his third meeting with Fuchs in New York City, which was the first time that Fuchs gave him written information, occurred in the 70's on Madison Avenue, and lasted about one or two minutes. He stated that the information was passed while he and Fuchs were walking on one of the side streets toward Fifth Avenue. After the meeting, Gold walked to Sixth Avenue and 57th Street, New York City, where he passed the information to "John" (Anatoli Antonovich Yakovlev). Harry Gold has also recalled two additional meetings with Fuchs which occurred immediately following his fifth meeting previously described as taking place in Queens, not too far from Jackson Heights, in late July, 1944. In this connection, Gold has now moved up each New York meeting about one month earlier than previously stated, with the exception of the original meeting. He advised that following the fifth meeting he met Fuchs in late June or early July, 1944, in the vicinity of Borough Hall, Brooklyn, New York. He stated that it was at this meeting that Fuchs told him that he, Fuchs, had a sister at Cambridge, Massachusetts, and that this sister was contemplating leaving her husband and coming to New York. Gold said he could not recall whether any information was given to him by Fuchs on this occasion, but that he definitely recalled meeting "John" shortly after this meeting, also near Borough Hall, Brooklyn, and for that reason he believes there may be a slight possibility that information was passed by Fuchs on that occasion. Gold also has advised that several weeks following the above-mentioned meeting, possibly late July or early August, 1944, he met Fuchs in the vicinity of the art museum on Fifth Avenue in the 80's. He stated that no information was passed on that occasion.

In connection with the changes in the dates of the meetings made by Gold, it is to be noted that he has advised that his meetings in Cambridge, Massachusetts, and Santa Fe, New Mexico, occurred at the times previously designated.

DETAILS:

On May 22, 1950 HARRY GOLD furnished to SAS RICHARD E. BRENN and T. SCOTT MILLER a signed statement to the effect that from 1941 to early 1944 his espionage superior was known to him as SAM. He identified SEMEN MARKOVITCH SEMENOV (SEMIONOV) as SAM, and stated:

"In very early 1944, SAM told me I was to undertake extremely important work.... He gave me the details of an arrangement whereby I met Dr. KLAUS FUCHS. We met (referring to FUCHS and GOLD) in, I believe, late February or early March of 1944. We went for a brief walk and then took a cab uptown to a restaurant.... where we had dinner.... Afterwards, we went for a walk, during which we completed arrangements for further meetings....

"He told me during the first and second meeting that he was with the British Mission working with the Manhattan Engineer Project. He also explained to me of the man power set-up of the British group as he knew it. He told me they were working on the separation of isotopes, and it seemed to me that there was at least implied the eventual utilization of the energy produced by nuclear fission in the form of a weapon."

GOLD related that shortly after his second contact with FUCHS, arrangements were made with SEMENOV whereby GOLD was no longer to contact SEMENOV, but would turn over the information that he received from FUCHS to one JOHN. SEMENOV made arrangements for GOLD'S initial meeting with JOHN. JOHN has been identified as ANATOLI A. YAKOVLEV.

In San Francisco on March 19, 1944 SAS JAMES H. COWAN, THOMAS B. WRIGHT, WILLIAM A. COHENDET, WILLIAM F. GIESEN, WILLIAM D. STALCUP, and ROLAND P. RICHARDS observed GREGORI M. KHEIFETS, Soviet Vice Consul at San Francisco, emerge from his home at approximately 3:10 P. M. He boarded a cable car from which he alighted at Sutter and Powell Streets, thereafter walking around in an apparent aimless fashion looking into store windows, and going in and out of several store doorways, apparently on the lookout for a surveillance.

At exactly 4:00 P. M. he went into the St. Francis Hotel, Post and Powell Streets, by way of the north entrance. SA WRIGHT observed that KHEIFETS met a man subsequently identified as SEMEN MARKOVITCH SEMENOV, in the corridor of the hotel. They greeted as though they had not seen each other for some time. After a short conversation, KHEIFETS and SEMENOV walked to Solari's Grill, 354 Geary Street. They left the grill at 5:05 P. M. and walked around various downtown streets, carrying on an animated conversation. It was apparent that SEMENOV was unacquainted with San Francisco as KHEIFETS seemed to lead the way for them to walk.

They eventually walked east on Market Street to Second Street, then turned right for a short half block, and then right again on Stevenson Street, which is almost as narrow as an alleyway and was deserted on this day, it being Sunday and the business district. At the next block they turned left on New Montgomery, walked to Mission, and turned right at the next block which is Third Street. They turned right again on Third Street and walked a half block north toward Market Street, then reversed and walked south on Third Street.

KHEIFETS constantly looked around as if in search of a surveillance. They walked slowly on Third Street until they arrived at the Southern Pacific Station at 5:55 P. M. They came out of the station and walked up and down in front of it, and then walked around the neighborhood until 6:00 P. M. During this time they continued their discussion, and at times KHEIFETS was observed making notes in a small black notebook which he carried.

SEMENOV boarded the Southern Pacific train, "The Coaster", which left at 6:30 P. M. for Los Angeles. He was accompanied by SAS GIESEN and STALCUP, and was identified when he registered at the Biltmore Hotel in Los Angeles.

Immigration and Naturalization Service File #99439/474 reflects that SEMEN MARKOVITCH SEMENOV, USSR Passports #12047 and 119007, issued at Moscow, entered the United States at New York City on January 19, 1938 on the SS BERENGARIA. SEMENOV was admitted as a student destined for study at the Massachusetts Institute of Technology.

See 65-57449-441 Correction

The records of the Massachusetts Institute of Technology reflected that SEMEN MARCK SEMIONOV entered MIT September, 1938 and graduated June, 1940. His application reflects he was born March 1, 1901, Odessa, Russia, and was employed at the time of his application by Amtorg Trading Corporation, New York City. Previous education was at the Moscow Textile Institute, from which he graduated with an Engineering Degree in 1936.

The Immigration and Naturalization Service file, New York City, further reflects that SEMENOV reentered the United States at Brownsville, Texas on April 20, 1940, although there is no record of his departure. Further, there is a letter dated June 19, 1941 and signed by S. KOUZIN, General Manager of the Amtorg Trading Corporation, New York City, advising that SEMENOV departed from the United States on April 12, 1941 for Panama on a business trip, and returned to the United States, arriving in New York City on April 30, 1941 on the SS JAMAICA.

In April, 1944 SA MICHAEL M. O'ROURKE ascertained from JOHN PRITCHARD, Chief Engineer at E. B. Badger and Sons Company, 500 Fifth Avenue, that SEMENOV was the Chief Engineer at the Soviet Government Purchasing Commission at 210 Madison Avenue, and also in charge of a group of Russian engineers taking a course on instruction in oil production and refining at the Badger Company, through the Lend Lease arrangements of the Treasury Department, Procurement Division. There were 50 to 80 engineers engaged in the training program.

Immigration and Naturalization Service records, Washington, D. C., reflected that SEMENOV, together with his wife PLAFIRA SEMENOV, and his two sons, ILIA and VICTOR, departed from the United States from Kalama, Washington on September 30, 1944.

ADMINISTRATIVE SHEET

On April 6, 1944 SA MICHAEL M. O'ROURKE observed SEMENOV and an unknown man entering the USSR Consulate Offices in New York City at approximately 3:00 P. M.. The unknown man was described as thirty-five years, six feet tall, 190 pounds, prominent nose, light hair, peasant looking features, head and neck bent forward, appears to be Russian, and wore a blue hat and coat. Subsequently, SA O'ROURKE observed a picture of DMITRI IVANOVICH KUDRIAVTZEV (KOUDRIAVTZEV) and stated that he resembled this individual.

Confidential Informant T-1, of known reliability, stated in 1944 that he was acquainted with a NKVD agent in Moscow who is presently the man in charge of legal matters for the Soviet Government Purchasing Commission, and who arrived in the United States in January or February, 1944. According to the informant, this man, in addition to being with the NKVD in Moscow, also worked on the Moscow Party Committee. He described this person as quite a "ladies man", and advised that he is always in the company of another man believed to be an agent of the NKVD since these agents do not usually associate with any individuals other than their fellow employees.

At the time that Confidential Informant T-1 furnished this information, DMITRI KUDRIAVTZEV was in charge of legal matters with the Soviet Government Purchasing Commission in Washington, D. C.

STATE

Two photographs of KUDRIAVTZEV are being furnished the Philadelphia Office to exhibit to HARRY GOLD inasmuch as KUDRIAVTZEV bears a resemblance to the description of Unknown Russian #1 who contacted GOLD in 1949.

On March 26, 1944, after SEMENOV'S return from meeting GREGORI KHEIFETS in San Francisco, a periodic surveillance was maintained. He, together with other Soviet engineers, engaged in the "lend lease" training program, mentioned in the details of this report, were observed at the Badger Company and Soviet Government Purchasing Company offices. A review of the surveillance logs reflects that other contacts of SEMINOV were identified. The nature of their association with him is being investigated in connection with the SEMENOV Case.
